

PRIVACY POLICY

Prosilas S.r.l., Data Controller, informs you, as an interested party, pursuant to art. 13 and 14 of EU Regulation no. 2016/679 (hereinafter, "GDPR") that your data will be processed in the manner and for the following purposes:

1. OBJECT OF THE TREATMENT

The Data Controller processes personal, identification data (for example, name, surname, company name, address, telephone, e - mail, bank and payment details) - hereinafter, "personal data" or even "data" - communicated by you on the occasion of the signing of the contract or the provision of service by the Owner

2. PURPOSE OF THE TREATMENT

Your personal data are processed:

A) without your express consent pursuant to art. 6 lett. b), e) GDPR, for the following Service Purposes:

- purposes related to the execution of the supply contract concluded with the Owner and / or to fulfill the pre-contractual obligations deriving from existing relationships;
- the fulfillment of a legal obligation to which the Data Controller is subject;
- the fulfillment of the obligations established by law, by a regulation, by community legislation or by an order of the Authority (such as in the field of anti-money laundering);
- the pursuit of a legitimate interest of the Owner inherent in the execution of the contract put in place, such as by way of example, the defense in court of their rights deriving from the execution of the contract concluded.

B) Only with your specific and distinct consent pursuant to art. 7 GDPR, for the following Marketing Purposes:

- sending informative emails, sms and / or telephone contacts for promotional purposes, newsletters, commercial communications and / or advertising material on products and / or services offered by the Data Controller and detection of the degree of satisfaction with the quality of services;

C) Only with your specific and explicit consent pursuant to art. 22 GDPR for the purpose of detecting the degree of satisfaction with the quality of services by third parties (by way of example, business partners, social networks) as well as profiling activities.

We inform you that if you are already our customers, we can send you commercial communications relating to the Controller's services and products similar to those you have already used, unless you disagree.

3. METHODS OF PROCESSING AND DATA RETENTION PERIOD

The data can be subjected to both paper and electronic and / or automated processing and precisely by means of the operations of collection, registration, organization, storage, consultation, processing, modification, selection, extraction, comparison, use, interconnection, blocking, cancellation and data destruction.

The data are kept for the period necessary to fulfill the purposes related to the execution of the contract and in any case no later than ten years from the termination of the relationship for the purposes related to the fulfillment of the obligations established by law and / or the pursuit of the legitimate interests of the Data Controller.

The data processed for purposes related to profiling and / or marketing in all its forms are kept for no more than 5 years from the data collection.

4. ACCESS TO DATA

Your data may be made accessible for the purposes referred to in art. 2.A), 2.B) and 2.C):

- to employees and collaborators of the Data Controller or group companies in Italy and abroad, in their capacity as persons in charge and / or internal managers of the processing and / or system administrators;
- to third-party companies or other subjects (by way of example, credit institutions, professional firms, consultants, insurance companies for the provision of insurance services, etc.) who carry out outsourced activities on behalf of the Data Controller, in their capacity as external managers of the treatment.

5. RECIPIENTS OF THE DATA

Furthermore, your data may be disclosed to third parties, for technical and operational needs strictly connected to the purposes set out above and in particular to the following categories of subjects:

- a) Institutions, professionals, companies or other structures in charge of processing related to the fulfillment of administrative, accounting and management obligations related to the ordinary performance of our economic activity, including for credit recovery purposes;

- b) to public authorities and administrations for purposes related to the fulfillment of legal obligations or to community entities; entitled to access it by virtue of the provisions of law, regulations, regulations;
- c) banks, financial institutions or other subjects to whom the transfer of the aforementioned data is necessary for the performance of the business of our company in relation to the fulfillment, on our part, of the contractual obligations assumed towards you;
- d) suppliers of installation, assistance and maintenance services for IT and telematic systems and systems and all the services functionally connected and necessary for the fulfillment of the services covered by the Contract.

6. DATA TRANSFER

Personal data is stored on servers located within the European Union. In any case, it is understood that the Data Controller, if necessary, will have the right to move the servers even extra. In this case, the Data Controller ensures from now on that the transfer of data outside the EU. EU will take place in compliance with the applicable legal provisions, subject to the stipulation of the standard contractual clauses envisaged by the European Commission.

7. NATURE OF THE PROVISION OF DATA AND CONSEQUENCES OF REFUSING TO RESPOND

The provision of data for the purposes referred to in art. 2.A) is necessary for the conclusion of the supply contract. In the event of failure to communicate, the Data Controller will not be able to guarantee the Services referred to in art. 2.A).

The provision of data for the purposes referred to in art. 2.B) is optional.

The interested party may therefore decide not to provide any data or subsequently deny the possibility of processing data already provided: in this case, the communications referred to in art. 2.B)

8. RIGHTS OF THE INTERESTED PARTY

We inform you that with regard to the processing of your personal data, you can exercise the following rights:

- a) Right to obtain access to personal data and the following information:
 - confirmation that personal data is being processed or not;
 - the purposes of the processing;
 - the categories of personal data;
